The definition is stated in the infinitive form to permit minor verb variations of the defined phrase, without taking these variations out of the scope of the definition.

In this subsection and throughout this title, the present references to "spectacles" are deleted as redundant of the term "eyeglasses". No substantive change is intended.

REVISOR'S NOTE TO SECTION: Present Art. 43, § 368(c), (f), (g), and (h), which defines "Department", "Secretary", "Financial interest", and "Household member", is deleted as unnecessary in light of the definitions of "Department", "Secretary", "substantial financial interest", and "household member" in § 1-101 of this article.
